

## Job Posting | School-Based Therapist

We are seeking a full-time **Clinical Therapist** to join our team in our School-Based program. Our mission is *to advance health equity by removing barriers and creating an inclusive community where people can reach their full potential*, and we take pride in being an anti-racist agency who incorporates equity, diversity, and inclusion into all aspects of our work. At Us2, we operate in a small, family-oriented work environment with team members who are solutions-focused and foster innovative thinking.

Candidates must be able to clearly articulate their ability to deliver services to historically marginalized members of the community. This position requires conducting counseling services to K-12 students along with providing outpatient services from the main clinic. Benefits include medical, dental, vision insurance and paid-time-off.

### Duties and Responsibilities

- ❖ Provide mental health and/or substance abuse counseling to children and adolescents in the K-12 education system.
- ❖ Conduct assessments and evaluations to determine diagnosis using DSM criteria.
- ❖ Identifying treatment goals and develop holistic treatment plans.
- ❖ Implement evidenced-based treatment modalities to appropriately address diverse client needs.
- ❖ Continually assess client progress while tailoring approaches to individual needs.
- ❖ Collaborate with clients' family members, caretakers, and other service providers as necessary.
- ❖ Record and maintain records, medical documentation, and appointment schedules. Collect outcome data. Provide resources and referrals for client needs.
- ❖ Communicate with referring and partner agencies.
- ❖ Effectively use digital technology platforms (electronic medical records, telehealth, IP phone applications, etc)

### **Minimum Qualifications**

- ❖ Minimum of Master's in Social Work, Professional Counseling, or similar degree from an accredited university program.
- ❖ Licensed in Wisconsin as an APSW, LPC-IT, or as a LCSW, LPC or LMFT.
- ❖ Recent graduate with immediate plans to obtain licensure.
- ❖ Experience providing culturally sensitive mental health treatment and/or working with diverse populations.
- ❖ Experience working with clients ages 6+ years, couples, and families.
- ❖ Excellent interpersonal communication skills.
- ❖ Proven relationship-building skills with individuals from diverse backgrounds.
- ❖ Experience working collaboratively with partnering organizations.

### **Preferred Qualifications**

- ❖ Bilingual with the ability to provide services in multiple languages.
- ❖ Experience working with third party interpreters.
- ❖ Wisconsin licensure as an LCSW, LPC, or LMFT.
- ❖ Experience providing counseling to clients ages 4+ years old and families.

### **Salary, Benefits and other Employment**

The starting salary for this position is \$50,000-\$60,000 annually and determined by the candidate's experience and skillsets. This position qualifies for the agency's medical, dental, and vision insurance plans, as well as the annual bonus incentive. Supervision for APSW/LPC-IT individuals pursuing their required clinical hours is available as a complementary, zero-fee benefit.
